

GSA Mini-Grant Program

2025/26 Application Guide

PFLAG Portland's GSA Mini-Grant Program helps strengthen Genders and Sexualities Alliances (GSAs) through the distribution of small grant awards. Empowering LGBTQ+ youth to realize their dreams is what PFLAG is all about!

Grant Awards:

Mini-Grant awards will be limited to \$250.00 per organization per year.
The 2025-26 program anticipates making 10-12 awards.

General Eligibility Requirements for the 2025-2026 Grant Cycle:

- PFLAG's Mini-Grant Program funds small projects sponsored by Genders and Sexualities Alliances (GSAs) or other non-profit, youth-directed organizations.
- The project must be planned, directed and implemented by youth.
- GSAs must have a school or organizational sponsor to receive funds. Sponsors may include a school's student fund or Parent/Teacher Organizations. By law we can only grant to non-profit organizations.
- The GSA or youth-led organization must operate in Multnomah, Clackamas or Washington county.
- GSAs or youth-led organizations operating in the Portland Public Schools district are encouraged to seek alternative funding (PPS already provides support to GSAs in their schools).
- Projects must be completed during the school year. Funds awarded for the 2025-26 grant cycle must be used during the 2025-26 school year.
- Awardees are required to complete a follow-up form once their project is done.

Project Focus:

We support projects that increase the visibility of LGBTQ+ youth in schools and the broader community.

We are especially interested in awarding grants that build partnerships between school clubs, or between school clubs and community organizations.

Here are some examples:

- A GSA and the Black Student Union club sponsoring a school-wide Day of Service project.
- A GSA and the school's Amnesty International club sponsoring a day of silence event to draw awareness to the plight of LGBTQ+ youth in less tolerant countries.
- A GSA collaborating with the Multnomah Youth Commission to make an anti-bullying video for the school's use
